THE arrangements made gramme Committee of the Pre ation, for the meeting in Jackson month, is exceedingly flattering to ocity. Miss Louise Shannon, daughter our contemporary of the Mercury & O server, is the Annual Essayist, and Miles Cecilia Cohen, who has an enviable rep, utation as an elocutionist here at home-has been invited to recite one of her charming recitations. Both ladies are quite young, but are most highly esteemed in the circle of their acquaintances as ladies of marked talent and cultivation. We can assure our brethern of the Press that they will enjoy the rare treat which Meridian will furnish them in the accomplishments of her fair daughters. -Meridian Sun.

Consumption Cared. An old physician, retired from practice. having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthms and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Chicago merchants say that the truck shipped from this point reaches Chicago in better condition than from most other places in the State. The shippers are doubtless unaware of any obligation to anybody in this, but we have an idea that it is partly owing to the close supervision and careful handling of the depot and express agents here that such is the case. Some of the truck from Canton was last year re-shipped from Chicago to Manitoba in British America, a thousand miles or so north-west of Chicago.-Canton Picket,

The Rosadalis.

Rosadalis is a sovereign remedy for all diseases of the blood. It has no equal for the cure of all nervous disorders. Read this certificate: I would like to bear testi-mony to the merits of Rosadalis, by saying that some eight years ago I was totally prostrated and could get no relief from our family physician, but after taking one bot-tle of Rosadalis, I became entirely restored to health. I now weigh 175 pounds, but when I first took your medicine I weighed only 130. I cheerfully recommend it to all, and especially to those afflicted with nervous debility.

WE were very much interested in lookng over a copy of the Manchester Herald and Yasoo Advertiser of the date, January 17th, 1835, which was kindly lent to us by Mr. Claiborne Bowman. It contained two pages and the terms of subscription were \$5 a year if paid in advance, or \$6 at the end of the year. Mr. H. S. Noble con-ducted the paper. It contains a letter from Senator George Poindexter on the President's Message, and in it the informa-tion is given that in 1834 there were fourteen newspapers published in Mississippi. Kentucky bagging is quoted at 37½ cents; cotton firm, 10@12½; corn in the ear, at \$1@1.50 per barrel; mess pork at \$13@514 per barrel; brown sugar, at 10 to 21 cents per pound, and loaf at 22 to 25 cents; whisky, first quality, at 35 to 45 cents per gallon - Yazoo City Herald.

Claiborne's History of Mississippi

The loss by the recent burning of "Dunbarten," the home of Col. Claiborne, of all his manuscripts of 2d and 3d volumes of his History of Mississippi renders it impossible to complete the work. As his publisher, we have about one thousand copies of volume one on hand, most of them not bound, which will be completed and sold for Col. Claiborne's besuefit, at one dollar per copy—the former price being \$5.00. He will receive the net proceeds of sales, fafter deducting cost of postage. Address CLARION OPFICE, Jackson, Miss.
